PHA Name: Public Health Association of Australia Inc.

WFPHA membership: Full Member / associate etc.

Representative: David Templeman, President / Michael Moore AM, CEO

Achievement/s and current key focus areas of PHA:

- We have been successful on a number of activities including:
 - ✓ Working as a “critical friend” with Government and Members of Parliament on different projects with focus on our Strategic Direction of Protection, Promotion and Prevention as key goals – keeping in mind the four enablers of Information, Capacity Building, Good Governance and Advocacy
 - ✓ Our Branches and Special Interest Groups (SIGs) provide policy advice, are involved in submissions, organise seminars and public events and help in mentoring public health professionals broadening the reach of our Organisation within Australia
 - ✓ Advocacy and media
 - Trans-Pacific Partnership Agreement and other International Treaties
 - Nutrition:
 - Campaigns around a National Nutrition Policy and the Australian Dietary Guidelines
 - The Health Star Rating System as a simple front of pack messaging
 - Working with government and industry on the Healthy Food Partnership
 - A tax on sugar laden soft drinks
 - Immunisation policy – including “No Jab-No Pay”
 - Many other issues eg .. injury prevention, women’s health, disease prevention, unhealthy commodities
 - ✓ Presenting a series of submissions to parliamentary committees and government inquiries
 - ✓ Conferences
 - 15th World Congress on Public Health, Australian Conferences
 - Host of the Oct. 2017 Global Alcohol Policy Conference and 2020 International Nutrition Conference
 - ✓ Reconciliation Action Plan with our National Office, Board, Branches, and SIG with *Reconciliation Australia* s
